

STANDARD MINI

Commercial Standard LED Light String

These mini (M5) LEDs are your replacement for older style incandescent mini lights. Featuring multicolor options, create a fun color theme for holiday decorating with a festive spirit effect. Use indoors to light your Christmas tree or outside in the yard or wrapped around tree trunks, columns and railings.

FEATURES

- Up to 90% energy savings over conventional light string
- Inter-connectable up to 210W
- Pre-assembled, durable, plastic sockets on 22 AWG copper wire; 2-Blade socket with fused stacked plug
- 36,000 hours rated life
- UL Listed for indoor and outdoor use
- 1 Year Warranty
- Standard 120V AC plug and socket power connection
