

# GARLAND

## 9ft Decorative Garland Greenery

If you need a beautiful, sturdy garland this holiday season, our 9ft garland is designed to remain natural looking and full while being used in high traffic, residential and commercial environments. Pre-lit garland also includes realistic pine cones for a more natural look.

### FEATURES

- Available in pre-lit LED 9ft lengths
- Available with or without pinecones
- Features traditional warm white color temperature
- Up to 315 tips per garland
- Suitable for indoor and outdoor use
- 120V AC voltage input
