

# WREATHS

## Pre-lit LED Wreath Greenery

Bring the forest into your seasonal lighting displays without the mess. The realistic PVC needles provide a lush background of dense foliage that will complement any decorating scheme. Featuring warm white LED lights and realistic pine cones, pre-lit wreaths are a great addition to any holiday installation.

### FEATURES

- Pre-lit with warm white LEDs
- Available in two sizes - 36" and 48" options
- Select 36" and 48" wreaths include realistic pine cones for added decor
- Easy plug and play installation
- 120V AC voltage input
- UL Listed light string for indoor and outdoor use
